## How to obtain the Residence Permit

**BAHAS, GRAMATIDIS & PARTNERS** Law Firm provides highest quality legal services, including **solutions for all legal, financial, tax and technical issues** regarding your **investment in real estate, property or business**, plus the entire procedure for obtaining a residence permit, widely known as “**Golden Visa Project**”.

The “**Schengen Golden Visa Project**” gives the possibility of residence permits’ issuance to third country nationals, and to the members of their families, who proceed to the purchase of real estate property in Greece, the minimum value of which is stipulated by geographic criteria, as follows:

**(1)** In the regions of Attica, Thessaloniki, Mykonos & Santorini islands and in all islands with a population of more than three thousand one hundred (3,100) residents, the value of the real estate is **eight hundred thousand euros (€ 800,000)**.

**(2)** In all other regions the value of investment is **four hundred thousand euros (€ 400,000)**.

In any of the above cases, **the investment must be made in a single property of at least one hundred and twenty square meters** and not in several properties.

**(3)** Under special conditions (industrial and listed properties), the purchase value is **two hundred and fifty thousand euros (€ 250,000)**.

**Transitional period:** third country nationals who will pay the full price or a ten percent deposit or sign a preliminary contract or private agreement, proving the relevant credits by the 31st of August 2024, can complete their investment until the 31st of December 2024 under the previous policy:

**(a)** In the Regional Units of Central, North and South Sectors of Athens, in the Municipality of Vari-Voula-Vouliagmeni, in the Municipality of Thessaloniki, in Mykonos and in Santorini the minimum value is five hundred thousand euros (€ 500,000). The investment is allowed only in one property.

**(b)** In the rest regions of Greece, the minimum value of the real estate property is two hundred and fifty thousand euros (250,000). The investment is allowed in one or more properties.)
